SIR

Re Proposal to increase the strength of the Mysore City Improvement Trust Board

---

With reference to your letter No L 4166/M 43-46-2 dated the 19th September 1946 on the above subject, I have the honour to inform you that the Director of Public Health is already one of the Members of the Board In my previous D O No A_1 C 317 dated 4th March 1946 the nomination of one Engineer (not the Superintending Engineer, Mysore Circle) as a Member of the Board had been suggested The nomination of Mr N Krishna Iyengar, Retired Superintending Engineer, had been proposed, as he would be very useful in giving good suggestions specially in Engineering matters in view of his previous connection with the Trust Board and vast experience he has of underground drainage and road works The letter under reference was placed before the Board for consideration They have resolved in their Resolution No 161 dated 25th September 1946, that the Government may be requested to amend the Trust Board Act suitably to allow increase of members from 9 to 11 A copy of the above resolution is herein enclosed for kind information and for favour of further action

I have the honour to be,
Sir,
Your most obedient servant
